A Letter from the Dean of Student Affairs to New Students !

親愛的育達新鮮人：

恭喜各位成為大學生，育達科技大學是培育大人的搖籃，「21 世紀是服務業的世紀」，國際間急需跨領域人才，以符合具有多目標與複合功能之綜合性服務產業人才未來需要。

我們為您創造一個極佳的成長空間，並提供您一切所需的協助，使您能順利地適應這充滿活力且現代化的學校生活。

本生活手冊提供您於育達科技大學就讀時所需的基本資訊，您也可以至國際暨兩岸合作處(國際處)協求更多協助。相信不久之後，您將會發現熱情及友善的台灣，讓您感受生活的溫暖、安心。若遇到任何問題，我們都將樂意幫助您。

誠摯地祝福您在育達科技大學成功順利！

育達科技大學學生事務處 胡英麟 學生事務長

Dear Yu Da Freshmen,

Congratulations on becoming a freshman of Yu Da University of Science and Technology, a cradle for cultivating adults. The 21st century is the century of the service industry. There are urgent needs for cross-field talents around the world, to meet the demands for qualified personnel in the comprehensive service industry with multiple goals and complex functions.

We have built an excellent space for growth for you. And we can provide all the supports you need, so that you can smoothly adapt the modern university life of dynamics.

This Campus Handbook covers all the fundamental information you need to know when studying in Yu Da University of Science and Technology. If you need additional assistance, you can visit the Center of International & Cross-Strait Cooperation and Exchanges. We believe that you will soon learn how passionate and friendly Taiwanese people are and feel warm and safe to be here. We will be more than happy to help you if you have any problem.

We sincerely wish you success in your university studies.

In-Lin Hu, Dean of Student Affairs, Office of Student Affairs, Yu Da University of Science and Technology

About YDU History and introduction

Yu Da Education and Culture Group

The Group consists of 10 schools that scatter over Taiwan, China, and Thailand:

In Taiwan: Yu Da University of Science and Technology, Chaoc Miaoli; Yu Da Senior High School of Commerce and Home Economic Taipei; Taoyuan Yu Da Senior High School, Taoyuan; Dot Dot Kindergarten, Taipei; Kwang-Shing Cultural and Educational Foundation, Taipei.

In China: Sheng Da College, Henan; Cheng Gong College, Henan; Mongolia Economics, Trade and Foreign Language College, Inner Mongolia; Yu Da Senior Vocational High School, Beijing.

In Thailand: Hueiming High School, Chinmei.

Brief History

YDU was solely founded and financed by Dr. Kwang-Ya Wang and his wife in 1999. With more than 60 years of educational experiences coupled with his lofty ideal of fostering first-class professionals in the field of business, management, and language in Taiwan, Dr. Wang came to choose the campus at a scenic village in Chaochiao Township, Miaoli County to start fulfilling his great aspiration of establishing one of the most exquisite, excellent universities in Taiwan.

Under the guidance of Dr. Wang's educational ideal, that is "Ethnics, Innovation, Quality and Performance" and his so-called "3-3-3" educational policy, faculty members and students have spared no efforts to push the school forward. As a result, YDU has attained numerous achievements in merely 18 years. Its administrative function has been remarkably progressing day by day. With a yearly growth in both student population and faculty members, YDU proves itself to be a reputable school which has already been recognized by the public in Taiwan.

YDU is composed of 3 undergraduate schools accommodating 11 departments and 3 graduate institutes.

College of Management:

Department of Information Management · Department of Marketing and Logistics Management · Bachelor Degree Program of IOT Engineering and Applications

College of Humanities and Social Sciences:

Department of Applied Japanese · Department of Child Care and Education · Department of Health care and Social Work

College of Leisure and Creativity:

Department of Leisure Management · Department of Hospitality Management · Department of Fashion Styling and Design · Department of Recreational Sports Management · Department of Multimedia and Game Design

Insurances and health examinations

Insurances

1. All registered students of Yu Da University of Science and Technology must take out the “student accident insurance” policy (students of short-term programs should take out the “medical insurance” policy). The insurance premium is included in the registration fee.
2. All international students with an alien resident certificate for over 6 months must take out the national health insurance policy. The tuition of international students of degree program covers the national health insurance premium. After obtaining the certificate for 6 months, students can apply for national health insurance through the Physical education and health services division. Students who have already took out the policy shall contact the Physical and Health Division regarding whether to change the withholding agency and adjust the health insurance premium in the payment notice.

Important Regulations of Yu Da University of Science and Technology

■ Gender equity education act

Yu Da University of Science and Technology provides all its students equal rights and opportunities and stresses the importance of mutual understanding and respect among different individuals. It is the obligation of every student of the University to abide by the school regulations and the laws. In case of a student of the University committing an improper act or violating the gender equity education act, an investigation will be carried out immediately according to the school regulations. If you hear any information in relation to someone being harmed or someone doing harm, please provide the information to any unit of the University or related authorities.

■ Drug related regulations

Warning! In Taiwan, all drugs are illegal. Possessing or using drugs can result in a jail term from several months to 3 years or penalty. Manufacturing, transporting, or selling drugs can result in a death sentence or a life sentence. In Taiwan, drug-related crimes are very serious crimes. There is no bending the rules for foreigners and students

who break the law. Yu Da University of Science and Technology is law-abiding. The University will report to the related unit when discovering any illegal behavior conducted by its students.
